

107 Ballandella Road Toongabbie NSW

This 3 bedroom home is very spacious, offering two great sized living areas including a lounge room and a massive sun filled family/dining room. High ceilings and polished timber floorboards throughout lend character to the home and kitchen offering gas cooking. All three bedrooms are a great size, two have built in wardrobes and the master has it's own ensuite bathroom. Having local primary and high schools as well as shops and both Toongabbie and Pendle Hill train stations within walking distance only adds to the appeal. Please note: Granny Flat will be erected at the back in the next couple of months. Sorry no pets.
