

165 Fitzwilliam Road TOONGABBIE NSW

2 1

This two bedroom half house is a must to inspect, it really shouldn't be called 'half' due to the size of the home. Polished floorboards are featured throughout with two great size bedrooms and a large lounge area. Neat & tidy eat-in original kitchen and bathroom. Lawn maintenance, electricity and water all included in weekly rent. This property is a short walk to station, shops and schools.
