This house really is enormous -will ideally suit two families as house is separated in two sections. The front section of the house features separate lounge and dining area with air conditioning, small kitchen with walk in pantry, three good size bedrooms plus study and built-ins to two of the rooms, main bedroom with ensuite plus separate bathroom. Great covered verandah area. Walk through a good sized family room into a large hallway area that features another three good size bedrooms with built-ins to all. Lovely spacious main bathroom and internal laundry. Massive air conditioned open plan lounge and dining area with large timber kitchen that features gas cooking and ample cupboard space. Internal access to a large double lock up garage. The property is on a huge block of land so plenty of room for the kids to run around in. Great location as walking distance to station and shops and schools all close by.
