This beautiful spacious home is quite deceiving from the outside but once you step in you will be very impressed. The property has been recently renovated throughout with that modern touch, offering a spacious combined lounge and dining with little nooks here and there for that extra bit of space usefully convenient for a study area and a split system air conditioner. Offering 3 large bedrooms with built in robes to all and split system air conditioners to two. Roam around through a beautiful modern kitchen with the popular gas cooking, dishwasher and plenty of cupboard space, modern light and airy bathroom, internal laundry with second toilet, single auto garage with plenty of driveway space. You will be very excited to see the large size backyard with low maintenance given majority of it is paved with a large covered entertaining area for all those family get togethers.
