If outright convenience is your major requirement then look no further than this superb north facing apartment. Offering a well thought out floor plan which enjoys the benefit of a balcony from the main bedroom plus a balcony from the open plan kitchen/lounge and dining space. The large kitchen has gas cooking and there is built in wardrobes to both bedrooms which are of great size. Naturally there is a security intercom, internal laundry and single lock up garage; however it's the sheer convenience of the central location that astute buyers will find most appealing.

Oh so close to and within minutes walk to Toongabbie train station, Woolworths shopping centre, schools, shops and local churches.
