5 2

The most desired streets in Toongabbie include Jago Place, Guiren Place and Mckay St. These streets are unique in that they are all quiet cul-de-sac locations and the homes are brick and fairly young. Hardly ever do homes in these streets come to the market for sale as the owners absolutely love their location so there is no need to consider.

It is therefore with great pleasure my team and I present to you a property that is offered for the first time at 3 Guiren Place. This much loved family home is brick veneer and offers 5 large bedrooms with 3 living spaces and was constructed in 1988 which makes it just 24 years young. The cul de sac is so well maintained that it's obvious that the neighbors all take pride in their lovely picturesque and leafy location.

The moment you enter this large single level residence you
