

27 Hudson Street Seven Hills NSW

Impeccably presented and beautifully maintained throughout, this tastefully renovated three bedroom brick veneer home enjoys a peaceful setting in a highly sought after Seven Hills position. Fusing a perfect balance of indoor and outdoor space to create the ideal home, the property boasts a spacious living and dining room, newly renovated bathroom and a generous Tasmanian Oak kitchen complete with gas stove. All three bedrooms offer ample space, with two featuring built-in robes and ceiling fans. Complemented with additional inclusions such as split system air conditioning, security roller shutters, down lights and internal laundry with second toilet this property offers the complete package you've been seeking. New carpet, stylish new tiles, new blinds and fresh paint throughout the main living areas, leaves nothing for the new owner to do apart from moving in. Outside you will continue to be impressed by the private and expansive lush green

Price : \$ 460,000
