

42 Mackenzie Boulevard Seven Hills NSW

Imagine coming home each day to this well maintained and presented brick veneer property offering ample living and outdoor space possessing a convenient, Southside location within walking distance to local schools, shops, parkland and transport. 3 generous bedrooms, main with ceiling fan, lounge and dining with air conditioning, modern gas kitchen with stainless steel appliances and a modern bathroom all combine to create a desirable, light filled floorplan. Surrounded by a great size parcel of land incorporating a carport and garden shed allows ample room for the kids to play whilst you entertain family and friends plus offers potential for future extensions (subject to council approval). The presentation, location and rare price point for a brick home ensures you will not be the only interested buyer so grab your cheque book and race to your inspection immediately.
