

### 1 Huntley Drive Blacktown NSW

If low maintenance living is what you expect but do not wish to compromise on space or privacy then you must inspect this immaculate, owner occupied, duplex style townhouse. Perfectly presented, a gentle transition from interior to exterior and an abundance of features over 2 levels ensures you will be impressed upon your first inspection. The flowing floor plan over two levels incorporates 3 large bedrooms upstairs, main with ensuite and built in robes to all rooms, pristine kitchen, impeccable main bathroom with quality accessories including penthouse bath and heated towel rails, 3rd toilet, open plan living with ducted air conditioner, ducted vacuum and internal access from the single garage. The covered timber deck overlooks the spacious landscaped courtyard and offers the perfect setting to entertain family and friends on a small or large scale. The street facing position on the corner with just one common wall and own private driveway
