

13/38 Cooyong Crescent Toongabbie NSW

2  1  2 

This gracious apartment takes its design inspiration from the classic terrace style homes of a bygone era found in the Sydney suburb of Paddington, and offers first home buyers, downsizers or investors an exciting opportunity to acquire a property in such a beautiful yet highly convenient setting at an absolutely affordable price.

Double lock up garages are almost unheard of in apartments but this property offers just that, it's very own 40m² double tandem garage plus an additional storage area, a feature that certainly sets it apart from other properties in this price range.

Sitting on the top floor of a two level building overlooking a lush green central courtyard its position within the complex is quiet, private and secure, yet there are not too many stairs to climb thanks to the low rise design theme.
