Seamless single-level living in the heart of Girraween just got better with this stunning 4 bedroom brick veneer home. Stylish interiors, premium fittings and fixtures combine with a fresh bright ambience offering easy living at its finest. The spacious formal living room beckons your presence while the open plan kitchen, dining and family room blends seamlessly to the spacious outdoor undercover entertaining area in a private backyard surrounded by colorbond fencing including landscaped gardens and grassed areas plus vegie patch. Modern living is further enhanced by a versatile floor plan offering casual living zones filled with natural light. Here you will find a state of the art gourmet kitchen with island bench/breakfast bar, Caesar stone bench tops and plenty of cupboard space. All
