You will be pleasantly surprised with the spacious living areas on offer in this home, it has the versatility of having either two living areas and three bedrooms, or consider the option of converting the large separate lounge room into a fourth bedroom. The separate family room to the rear of the house is large enough to accommodate a study area as well as a generous living area.

The kitchen and bathroom are updated and in excellent condition. There are many other features such as split system air conditioning, a near new hot water heater, two toilets and there is external cladding and aluminium windows which makes the exterior of the house maintenance free.

A lock up carport leads out to a large, level and beautifully sunny backyard with no large trees and no easements. A
