If you will not compromise, and are only looking for the best location, features and presentation then welcome to 95 Mississippi Road Seven Hills. The centre piece of the home is the large, modern gas kitchen with stainless steel appliances and dishwasher which is surrounded by the perfect blend of bedrooms and living space creating a family oriented floor plan. All 4 bedrooms possess built in robes and ceiling fans and the enormous 4th bedroom could easily be used as a formal lounge giving a versatility that is hard to find. Also featured are 2 modern bathrooms (1 combined with laundry), ducted air conditioning, gas heating and alarm. Step outside to your resort style backyard incorporating a solar heated, inground pool with a large storage shed which would be ideal as a detached rumpus and is perfect for entertaining on a grand scale. A double carport and remote drive through garage to second carport ensure ample room for cars, boats or a trailer. The
