

1 May Street WENTWORTHVILLE NSW

3 **1** **1**

Offering equally impressive indoor and outdoor areas, the only thing left to do at this lovely home is decide where you should spend the day relaxing. Polished floorboards lead you through the open plan lounge and dining with air-conditioning to the timber kitchen creating a light and airy environment. There are 3 bedrooms, main offering a built-in robe, modern bathroom with spa bath and external laundry with second toilet. Step out to your rear entertaining oasis incorporating an enormous pergola and expansive decking pathway to the gazebo surrounded by impeccably landscaped gardens with integrated water feature, the perfect setting for small or large parties. Add a wide side access to the oversized single garage, fully fenced front and rear yards, a highly desirable, whisper quiet location and you have an end product that could only impress you.
