

TOONGABBIE

If you are looking for a home with a big backyard in an affordable price range yet close to station, schools and shops, in a quiet neighbourhood, then this could be the one! Recently repainted inside, the home offers an air conditioned lounge room, polished timber floorboards throughout, an alarm system and a warm and inviting feel that helps make it a real home. Side access to the huge backyard leads to a carport and storage shed/outdoor study. The highly sought after combination of being located in a quiet street yet so close to the train station makes this a very desirable property.
