

TOONGABBIE

3  2  2 

The massive proportions will genuinely surprise all who inspect this 5 year old 3 bedroom property with double garage. Although technically described as a townhouse as it is one of 5 in a complex, it's overall size and privacy can be likened to that of a duplex and it is even bigger than some freestanding houses! Situated in a quiet street and within a level 5 minute walk to Toongabbie train station and plaza, it's location is totally convenient. First class features include a sumptuous kitchen equipped with natural gas appliances, dishwasher and granite benchtops, a remote door and internal access to the double garage (which could also be used as additional living space) and tiled flooring to the living areas which open out to a covered patio and large private courtyard. The king sized master bedroom offers an ensuite and split system air conditioner, whilst the other bedrooms are also very large and all bedrooms have built in wardrobes. This amazing
