

WENTWORTHVILLE

3 1 1

Privately nestled amongst established native gardens and offering a sophistication often sought yet rarely found is this immaculate cement rendered home with an abundance of features. Spacious formal and informal living areas flow effortlessly around the exquisite gas kitchen with stainless appliances to the large integrated entertaining area creating a gentle blend of indoor/outdoor living. The 3 generous sized bedrooms all come complete with B.I.R.'s, and the showroom style bathroom possesses a sunken spa bath which is sure to appeal to all who inspect. The numerous list of features continues with ducted air conditioning, gas heating, dishwasher, built-in entertainment storage area, recycled water sprinkler system, 2 toilets and a sandpit for the kids. Perfectly located in the popular, newly named Constitution Hill area close to local schools, shops and transport ensures a quiet convenient lifestyle. A garage, tandem carport and garden
