

SEVEN HILLS

3  1  1 

The contemporary, family oriented floorplan of this impeccable 3 bedroom home offers something a little bit different and is sure to grab your attention. Soaring ceilings creating a sense of space and the extensive use of glass creates a bright and airy feeling throughout. Featuring 3 large bedrooms with BIR's, formal lounge with a/c, open plan dining, T.V. room and modern gas kitchen, renovated bathroom and study area. The spacious rear yard incorporates a garage, workshop/home office and established gardens for the kids to play in plus there is ample underhouse storage areas. Be amazed at the perfect position, so quiet and elevated offering district views which could be enhanced from the upstairs level of your newly constructed dream home (S.T.C.A.). Conveniently close to all amenities and the added bonus of new carpet and blinds ensures the future is bright at this residence.

Land Size : 556 sqm
