

HARRIS PARK

Step inside this impeccable federation cottage and be carried back in time to a point where horse drawn carriages rattled along dusty roads. "Gladstone" offers a gentle blend of period features and today's modern conveniences with spacious open plan living areas to accommodate family living. An abundance of charm surrounds the home which offers 3 generous sized bedrooms, main with B.I.R., formal lounge with a/c, gas heating and ornate fire place, near new kitchen with breakfast bar and the unique use of an original fireplace, separate dining, an enormous family/billiards room and alarm. Rear lane access is available to the backyard incorporating carport, garden shed and covered verandah perfect for entertaining family and friends. Many original features are still intact including stain glass windows, polished floorboards and high ceilings with panelled timber walls. Conveniently located within a short stroll to Harris Park station and only 10 minutes walk
