

SEVEN HILLS

3 1 3

With exceptional presentation throughout, a popular southside location and an inviting floorplan, this attractive brick veneer home will be hard to say no to. Gleaming polished floorboards lead you through the air conditioned lounge and dining to the modern gourmet kitchen with stainless steel appliances and down the hall to the 3 generous sized bedrooms all with ceiling fans and main with built-in robe. An impeccably well maintained bathroom with separate toilet, alarm, single garage with internal access and double carport are all on the long list of features. Your friends and family will be inviting themselves over to enjoy your entertaining backyard with landscaped gardens and above ground pool, a refreshing option for the upcoming summer months. Positioned in a quiet street close to schools, shops and transport, guarantees your wish list has all boxes ticked.
