

TOONGABBIE

2 1 1

The moment you step inside the front door of this immaculately presented 2 bedroom apartment you'll realise that you have discovered a unique and special property. Perhaps it may even suit those buyers seeking a villa as it is so spacious, and being on the first floor means there are very few stairs to climb. Excellent natural light and cross flow ventilation are achieved thanks to clever design and the fact that there is only one common wall. Inclusions such as timber laminate floors and stylish curtains provide a warm and welcoming atmosphere whilst painted feature walls add a splash of colour. An east facing balcony enjoys a leafy outlook and is accessed via double glass sliding doors from the massive open plan living and dining room. A gas equipped kitchen, large bedroom sizes, built in wardrobe to the main bedroom, a security intercom and a lock up garage are other noteworthy features. Situated within 5 minutes stroll to the station and shopping centre
