

QUAKERS HILL

You will feel like the luckiest person in the world when you realise you have a choice of 3 level, vacant blocks of land which would suit the majority of project or architecturally designed homes. Block 1 - 531sqm with a 18m frontage, Block 2 - 552.1sqm with a 15:14m frontage plus 2 street access, Block 3 - 658.3sqm battle axe block. Perfectly convenient and quiet location surrounded by newly constructed homes and bordering Acacia Gardens ensures you will enjoy your dream home for many years to come. Buy one, buy two or bring a friend or family member on board to ensure you will have a great neighbor or buy the 3 for future profit. Plans of the block, sewer diagram and contracts are available on request.
